Luke 2: 1-7 "About this time Caesar Augustus, the Roman Emperor, decreed that a census should be taken throughout the nation. Everyone was required to return to his ancestral home for this registration. And because Joseph was a member of the royal line, he had to go to Bethlehem in Judea, King David's ancient home – journeying there from the Galilean village of Nazareth. He took with him Mary, his fiancée, who was obviously pregnant by this time. And while they were there, the time came for her baby to be born; and she gave birth to her first child, a son. She wrapped him in swaddling clothes and laid him in a manger, because there was no room for them in the village inn."
